X2 RACKS

X2-RACK-4XX/6XX DATASHEET

Overview

This range of wall mount, 19 inch, industry standard cabinets are perfect for storing all data equipment, NVR's, switches and peripherals. Manufactured with a fully welded body, the X2 Racks can handle up to 60Kg of equipment. These cabinets come complete with a lockable tempered glass front door, removable side panels and cable entries from the top and bottom. Available in sizes of 6RU, 12RU and 18RU in both single or double section.
